

Senior Structural AutoCAD / Revit Technician

Salary £30k - £35k.

CASE Consultants is an award-winning firm of Civil & Structural Engineers founded in Torbay in 1988. Our busy Practice has enjoyed a challenging and expanding workload, acting for clients throughout the South West on a variety of exciting projects with a contract value up to £20m.

Following successful acquisition of the business by Torbay Economic Development Company (TDA) in 2019, we are seeking to expand our Practice and have a vacancy for a Senior Structural AutoCAD / Revit Technician.

As part of the TDA group of companies, our staff enjoy a highly secure and rewarding working environment preparing civil and structural engineering designs for both public and private sector clients. These range from housing, education and infrastructure projects for our principal client, Torbay Council; to healthcare, retail and commercial schemes for an established portfolio of longstanding external clients.

Job Requirements:

- Proficient in the use of AutoCAD.
- Proficient in the use of Revit.
- A minimum of 5 years' detailing / modelling experience.
- Excellent communication and organisational skills.
- Ability to work to deadlines and multi-task.
- I.T. proficient.
- Excellent understanding of building structures.
- Ability to work collaboratively with other design disciplines.
- Good experience of reinforced concrete and steelwork detailing.

As a socially motivated business and part of the TDA group of companies, we offer competitive salaries, flexible working hours, generous holiday allowance, family friendly environment and a pension scheme. In return you will become a valued member of a growing organisation and be presented with great opportunities for career progression.

Salary negotiable depending on experience. Please apply in writing enclosing your CV to:
